Hi Neighbors,

The Kings Park Community Association recently received a \$5,000 donation from a Charter Oaks resident to help fund a new stone wall entrance sign at the corner of Twins Oaks Drive and Sunken Meadow Road. It will look similar to the one we rebuilt at the corner of Oak Hill Lane and Sunken Meadow Road. However, it will face eastbound traffic, unlike the Oak Hill sign which faces westbound. Once completed, all entrances into the neighborhood will be denoted. A prototype of the proposed sign is shown below...

The total cost for the new stone wall and sign will be approximately \$12,000. The landscaping will cost another \$2,000. If we can raise an additional \$9,000 from the neighborhood by the end of this month, we'll be able to proceed with this project by this fall.

Please help us bring this venture to fruition by making a donation to the Kings Park Community Association at kingsparkcommunity.org or by mail to...
